

Next Meeting

Curriculum Sale (and sale of other stuff)

This Friday, May 14, from 12:30 - 2:30
590 Hartmann Ln, Shiloh

This will be in the parking lot and we will be selling out of our vehicles or setting up our own booths/tables.

This will be during the PE Class, so it's convenient to drop your kids and do your buying/selling while they are busy.

IF YOU ARE SELLING, please show up around 12:00 to get set up. Space your vehicles an appropriate distance apart so there is room to set up and room for people to shop.

You don't need to limit your sales to curriculum.

Please take home anything that doesn't sell. Leave the property at least as clean as you found it.

I'll be there by noon to help direct traffic and get set up.

Thanks,

Josh Peterson

English Country Dance

It's time to dance again! Join us for another evening of English Country Dance on May 14. Conner Quinn will be the dance caller in May.

Please pre-register!

English Country Dance incorporates the historic tradition of partnered line dancing—as seen in Jane Austin movies, where gentlemen stand in one line and ladies in another. Each dance is taught step by step, so everyone can participate, regardless of previous experience. Sample dances can be found on the Stately Steps Youtube channel.

Who can come: up to 100 attendees, both experienced and newbies—who are willing to learn

and participate. Teens and young adults are expected to dance most of the time. Non-dancing parents and young children are welcome—but they will count toward the attendance max. This event is open to like-minded folks outside of SCCCHE, so feel free to invite friends.

Held at: Copper Creek Christian Church, 2184 Vadalabene Dr, Maryville, IL (close to Anderson Hospital)

When: Friday, May 14. Arrive 6:45-7:00 pm, Dance 7:00-9:30, Facility re-set 9:30-10:00

Cost: \$5 per person/\$15 max per family.

Please pre-register by Thursday night, May 13 at 11:59 pm by completing [this form](#)

Safety protocols: stay home if you are sick or should be quarantining. Hand sanitizer will be available. Recognize that dancers will be social and not distant. Attend at your own risk.

Bring: a mask.

Wear: casual and modest clothing. Ladies are welcome to wear swishy skirts.

Water will be provided at this event. No snacks or other drinks in the building, please.

Questions: call/text Rebecca Phillips 618-334-7249 or email jrphil5@charter.net

TLC Update

We are working to provide another wonderful year of TLC. Faith Family has graciously allowed us to use their building again for this coming year.

Potential Fall classes are orchestra, beginning speech, sewing or needle work, Apologia biology lab, Yearbook, non-fiction writing, middle school literature study, coloring class for elementary grades, K'NEX bridges, advanced music theory. That is already a very promising start.

Aside from the issue of masks, one thing that drives attendance to TLC is the availability of classes for the whole family. And what prevents us from committing is the lack of knowledge of the classes offered ahead of time. My hope this year is to have the planning stage transparent so you know what is being offered and give you the chance to jump in and fill a gap. I would like to see 2-3 class options for every age group except for nursery. To this end, I have created the course submission form. I believe I have set it up so that you are able to see the responses from other participants. You can also edit your form at a later date.
