## Junior Achievement

Junior Achievement of Greater St. Louis offers two of our financial literacy/work readiness/entrepreneurship programs to the homeschool community:

**JA BizTown** and **JA Finance Park**.

**JA BizTown** is a mini-city in which kids discover how the "real world" works. Each day, about 100 fourth- sixth graders become JA BizTown "citizens" where they work in one of 17 businesses, make financial decisions, pay taxes, and donate to charity. After 12 classroom lessons, students come to JA BizTown for the learning experience of their lives! Each citizen has a job for the day, gets paid twice, manages a checking account, shops, may be interviewed on TV and much more. The time spent at JA BizTown may be only one day, but the impact that this experiential learning provides will last a lifetime!

JA BizTown Homeschool Visit Day: March 14, 2022.

**JA FINANCE PARK** - 7th -12th grade students are given the rare opportunity to experience their personal financial futures first-hand. The experience begins in the classroom with 12 lessons of JA-provided curriculum that culminates with a day at JA Finance Park. Upon entering the center, students receive a 'life situation' with job, income, education, and family scenarios. The simulation is designed as a community including financial services, housing, transportation, insurance, entertainment, communications, utilities, and more. Students explore and learn about different budget categories, create a budget, make purchasing decisions, and pay for their expenses. Tablet-based.

JA Finance Park Homeschool Visit Day: March 8, 2022.

## TeenPact

### It's not too late to get in on the Early Bird Discount for TeenPact!

If you haven't heard of TeenPact I encourage you to check out this website: [teenpact.com](http://teenpact.com)

Here is a helpful video: [TeenPact Promo Video](#)

TeenPact is an amazing opportunity for students to learn leadership and to get hands-on

experience in understanding how our government works. These students come away from TeenPact with an ability and confidence to use their voice to impact legislation and the culture for Christ, and they have a GREAT time doing it while making new friends.

There are two different TeenPact opportunities, A One Day Class for elementary ages, and a Four Day Class (with a fifth day option) for students 13-19.

Every year our local homeschool groups coordinate a group to travel to the TeenPact Four Day Class and lodge together with assigned chaperones. TeenPact Illinois takes place March 21-24, 2022 in Springfield, IL. Also, there is a TeenPact Homework prep class at TLC and Master's Lyceum to help students prepare for the TeenPact week. Check out those registrations to get in on those opportunities.

TeenPact is not a cheap event, but it is definitely a worthwhile investment. Fundraising is typically done to help off-set the costs involved. We encourage students to do their own fundraising to help with tuition costs and group fundraising to help with travel/lodging costs. Volunteers to coordinate these efforts are always needed. Watch for details coming for the travel group, contact person is Annette Kanoy [gototpil@gmail.com](mailto:gototpil@gmail.com).

If you have any questions about TeenPact itself, contact Christie Black [christieblack@charter.net](mailto:christieblack@charter.net)

## TrailLife

### Boys just want to be boys! Join TrailLife Troop IL-0078.

As Trail Life Troop members, we share a common vision, striving together to "guide generations of courageous young men to honor God, lead with integrity, and serve others"....

Our Troop operates as a ministry of our charter organization, Community Bible Church. Young men ages 5 to 17 are encouraged to join our Troop to participate in scheduled events/activities. We highly

encourage the dad to join as well, and use this time to grow with his son(s). Typically, we meet the 2nd & 4th Monday nights, 6:30-8:00.

Please let me know if you and your family would like to be more involved in this wonderful Christ-Centered, Boy-Focused, Outdoor Adventure!

## One Another

One of the more interesting Bible studies is to look up all the verses that contain the phrase "one another." (There are about 59). There are also many scriptures with the same intent, but not the same words.

It's an extremely important concept in our Christian faith that we are there for one another - rejoicing, weeping, worshipping, praying, and fellowshiping together. Our concept of the 'body of Christ' requires that we are all important for one another.

And yet Covid and the government restrictions are doing the exact opposite to the Church and to us all. Church attendance is down, tithing is also down, church buildings are closing and people are in hostility with 'one another' over the issues of masks and jabs, or just about any topic.

Many would argue that there is in the midst of this a political war going on here, but I would argue that perhaps there is a great spiritual battle as well. Remember - you only need a little change of direction to turn a huge ship off of its course, and so this little shift of less personal interaction is having grave consequences on the Church and the world. Crime is skyrocketing; bullying, drugs, depression and suicide are epidemic, and people are quick to tear into one another for anything they might say or post online.

So how do we fight this battle? First of all, we pray. Second, we go to church and worship with our church family. Third, we continue to meet with one another as we are able, encouraging and uplifting one another.

"All will know that you are my disciples, if you love one another." - John 13:35

Is someone rejoicing? Send a card or letter, or rejoice with them in some way.

Is someone mourning? Be with them in their sorrow, send cards or letters, cook a meal, and weep with them.

Is someone in need? Get out and help, or send your teens to help.

"It is more blessed to give than to receive." And we need not give much. You never know how much impact a simple kind word can do for someone. I once heard about a depressed man who committed suicide and left a note saying that if one single person greeted him on his way to his death, he wouldn't do it. I wonder if he passed any Christians on that walk.

It's so easy (especially when it's so cold outside!) to stay in our warm and comfy homes and hope that others will help while we just pray.

But to repeat one of my favorite quotes:

**"A ship in a harbor is safe. But that's not what ships are for."**

That glorious quote is a miniature sermon by itself, so no more of my words are needed, except "go forth and serve the Lord with gladness!"

God bless,  
Josh Peterson
