FIELD TRIPS

Greater St Louis Air & Space Museum Field Trips: Young Eagles Flight Program, October 8th and October 22nd.

Up! Up! And Away!!!

Greater St.Louis Air & Space Museum/Young Eagles Program (enter full name into GPS) 2300 Vector Dr, Cahokia, IL 62206 (follow the signs that say "Ideal Aviation")

Group 1: October 8th (this is Columbus Day) 10:00 AM (deadline 10/5)

Group 2: October 22nd 10:00 AM (deadline 10/18)

Kids will be flying in real planes, with a pilot, of course!

Note: I have some unexpected spaces available. Trip is now open to those who have flown before but would like to join this trip again.

Reply to this email with your child's name and age.

Please fill out registration form BEFORE arriving (see attachment below). One per child. EAA Headquarter's attorneys do not accept the form on two pieces of paper since the parent signature is only on one sheet. Please print the registration forms double sided.

The tour will only occur if they can fully staff that day. We will drive across the field for this tour.

Bring a sack lunch to eat when you have a moment, but not when it's your turn to fly!

The museum will be open, it's in the side building.
This trip is free, but I will collect a donation to help cover fuel cost (which is high for aircraft). Pilots are donating their time so please remember to "tank" them.
